Head Start Report

September 2025

The Head Start Program is fully staffed, fully enrolled and we had a 90% attendance rate for the month of September.

The classroom focused on learning the routines and making new friends. At the beginning of the school year the teachers do an assessment with each child. The assessments are required by The Office of Head Start within the first 45 days of class attendance. The first assessments give teachers the information to lesson plan for the development of the current students. Individualization within children's needs and interest. The same assessments are repeated three times a year and our ChildPlus computer program shows the progress the children make. This information is shared with families during conference week.

We have two students that receive services with Round Valley Unified School District to meet IEP goals and objectives.

The Head Start team enjoyed participating and serving at the California Indian Days BBQ on Thursday the 25th. Additionally, the children and families enjoyed being in the Parade.

Julia Russ, grant writer, and I met with The Office of Head Start management team regarding our upcoming grant submission. I submitted the documentation needed for the extension and we are on track. The pending CLASS re-evaluation is scheduled October 20th-24th.

Head Start and Childcare had a fire drill in September. The fire extinguishers were serviced and certified operational. The Head Start Emergency Plan is being updated to reflect our return to the Head Start and Childcare building.

Child Care Program – *General Goals and Objectives: To continue direct communication with staff and parents and provide information to the Tribal Administration and Tribal government all issues regarding program activities, budget, and funding concerns.*

Child Care Comments – *The Child Care and Development Fund (CCDF) assist low-income families in obtaining Child Care so they can work or attend training/education.*

For the month of September 2025, the Child Care Program was busy with day-to-day operations...Greeting the children and their families in the morning, having a fun filled day, and ending the day with happy children.

Also, for the month of September the Child Care Coordinator and Assistant were busy completing the Child Care Plan that was submitted July 1, 2025, and sent back for corrections regarding Background Checks and The Tribes First Emergency Response that must be completed and approved by December 2025. We are required to make corrections.

The Child Care Program was honored to host the Community Dinner to open California Indian Days in the arbor with a prayer and song on Thursday, September 25, 2025. We had a great turnout. The Child Care Program had a float and two side by sides supporting "Honoring The Water, Water is Life". Healing is what is needed in our community. It was a good feeling to see all the happy faces and excitement from the pageant, mud boogs, parade, dance groups, softball tournament, rodeo and all the other things that were happening. Thank

you, Round Valley Indian Tribes and Tribal Programs, for making California Indian Days a huge success, it was a lot of fun, and healing for the people.

ROUND VALLEY INDIAN TRIBES
DOMESTIC VIOLENCE AND SEXUAL ASSAULT OFFICE
MONTH OF SEPTEMBER 2025

In the month of September, our office received (5) crisis calls. Our office has assisted with emergency services to meet our clients' basic needs. Our office has collaborated with other programs to meet the needs of our clients, advocating for them in court, with Sheriff and Tribal Police and helping them create safety plans. We recognize there are many cases that go unreported, and for the ones who are brave enough to do so, we want to be supportive as much as possible. It is a scary situation to go through. We do not want them to do it alone.

Our office completed our objectives by the close of our grant. We only needed the Training objectives. We did so by going to the Give it to the Fire meeting at the old June Marie's Building. We plan on attending more of the already scheduled meetings to bring awareness/training. Our speakers are focusing on Historical Trauma and the connection to domestic violence in families today. We also hosted the cultural food booth with the help of Ms. Joleen Whipple by providing the food for our dance groups. It is greatly appreciated. This is very important to do. We had our Domestic Violence Office banner and tablecloth up and invited our elder to give the blessing and to talk about DV Awareness. Thank you.

Respectfully submitted,

Yolanda Hoaglen, Program Director
