Mark,

I am writing to express my sincere gratitude for the valuable services you provide to the seniors in our county.

As you know, recent financial challenges within our department have forced us to strictly limit our spending to our core mandates. Please know that the difficult decision to end our financial support was in no way a reflection of the quality or critical importance of your work. Over the years of our contracting history, our department has deeply valued our relationship with you. The support your senior centers provide has become seamlessly woven into the programs we offer our shared clients.

I want to ensure we remain strong community partners. I am fully available to advocate on your behalf in any capacity to help secure the funding needed to keep your centers operational. Furthermore, in my continuing role as Vice Chair of the Governing Board for the Area Agency on Aging for Lake and Mendocino County, I strongly encourage you to pursue any upcoming funding opportunities available through the Older Americans Act.

Thank you again for your dedication to our older adults.

Sincerely,

Mark Britton

Hello Mark,

Thanks for the reply. You are correct, the monthly reports are no longer required. These were part of the contract invoicing process which will not be needed going forward.

Dear Potential Buyer,

My name is Connor Hoaglen-Morales, I am a proud member of the Covelo 4-h branch. I would like to invite you to support my market swine project Peter, by attending the Redwood Empire Auction in Ukiah California, I would also like to send the invite out to breakfast the morning of August 8th at 8:00am. The auction will be at 10:00 a.m.

This year is my first year doing a 4-H project. I chose a swine. His name is Peter. I have dedicated many hours to raising my swine project, Peter. Through this project, I have learned responsibility, commitment, time management, animal care, nutrition, record keeping, and the value of hard work. These experiences have helped me develop skills that will benefit me for years to come.

I would be honored if you would consider purchasing my hog or placing an add-on bid during the Junior Livestock Auction. Your generous support allows youth like me to continue participating in 4-h, develop leadership skills, and pursue future agricultural projects. Thank you for taking the time to consider supporting my project and investing in the future of local youth and agriculture. I sincerely appreciate your generosity and hope to see you at the Redwood Empire Fair.

Sincerely,

Connor Hoaglen-Morales

Dear RVIT Senior Center

My name is Waylon Williamson, and I will be starting the 9th grade this year at Round Valley High School. This is my first year in FFA, and my fourth year taking a market animal to the Redwood Empire Fair.

This year is extra exciting for me because it is my first time raising a steer! His name is Smoky, and I bought him last November from Phil Gravier in Laytonville. Smoky is a big boy, currently weighing 1,500 lbs. He has been a great-tempered steer and easy to handle. I have spent a lot of time working with him, and I hope to do well in my showmanship, market, and carcass classes.

When I'm not at school or working with Smoky, I help my family work cows, haul hay, fix fence or any other ranch chore that might come up. One of my favorite pastimes is hunting and fishing of any kind. I truly enjoy living in Covelo and being able to participate in FFA and all the outdoor activities our rural community offers.

I would like to personally invite you to the Redwood Empire Fair on **Saturday, August 8th**. There will be a buyer's breakfast at **8:00 AM**, followed by the Junior Livestock Auction starting at **10:30 AM**.

Thank you so much for your time and for your continuous support of the 4-H and FFA youth in our community!

Sincerely,

Waylon Williamson. *Waylon Williamson*

Round Valley FFA Member

Dear **RVIT Senior center**

My name is Wiley Williamson, and I am currently a junior at Round Valley High School. This is my second year in FFA and my third year raising a market steer for the Redwood Empire Fair. I would like to introduce you to my steer this year, Bandit.

I purchased Bandit from Phil Gravier in Laytonville, California. I chose the name Bandit for a specific reason: my little brother, Waylon, is also showing a steer this year named Smoky. I thought it would be fun for us to have "Smokey and the Bandit" at the fair this year!

Raising a steer is a big commitment, and this year was especially challenging because I also stepped up to help my little brother with his project. Even though he does not always listen to his older brother, it has been a rewarding experience to help teach him the responsibilities that come with raising livestock.

We raised our steers on ShowMaker grain from Grow West, which they loved, but what made this year truly special was the hay. We fed them hay grown right in the field behind our house—hay that my brother and I personally helped haul and stack in the barn. Raising Bandit has taught me responsibility, patience, and the value of hard work.

I raise a steer each year because I am working hard to save money before I graduate. My goal is to use my auction proceeds to fund my future education and career path.

I would like to personally invite you to attend the Redwood Empire Fair on **Saturday, August 8th**. There will be a buyer's breakfast at **8:00 AM**, followed by the Junior Livestock Auction starting at **10:30 AM**. Your support of local youth and agricultural education means a great deal to exhibitors like me. Thank you for your time, and I hope to see you at the auction!

Sincerely,

Wiley Williamson **Wiley Williamson**

Dear Buyer,

My name is Ryanne Brown. I am 10 years old and will be going into the 5th grade. I enjoy playing softball, hanging out with my friends, swimming, singing, and listening to music.

This is my first year in the Round Valley 4-H group, and I am so excited to show my lamb, Jack, and for you to meet her. Jack is very sweet and gentle, and I hope you love her as much as I do. I couldn't come to the fair without the love and support of my family, especially my mom, dad, and grandparents. I brought Jack home in April. Since then, I have fed, watered, sheared, and walked her every day. I get up early every morning to take care of her and go out every night to lock her up. Taking care of Jack has taught me responsibility and hard work. Jack is a Hampshire-Suffolk cross, and we are excited to see you at the fair!

I would like to invite you to support Jack and me at the Redwood Empire Junior Livestock Auction on Saturday, August 8, 2026. The auction begins at 10:00 a.m.

Thank you for taking the time to read my letter and for considering bidding on my lamb. Buyers like you make it possible for kids like me to be part of 4-H, learn new skills, and continue raising animals. I really appreciate your support and hope to see you at the fair!

Thank you,
Ryanne Brown

My name is Trenton OFerrall, I am 11 years old and a member of the Round Valley Indian Tribes. This is my 3rd year in Willits 4H as well as the swine group. This year I will be bringing my market pig Fancy to the fair. She is a registered Duroc I purchased from a local breeder, and I estimate her to weigh 270lbs at fair. Fun fact, Durocs are my favorite breed, and I've taken them all 3 years.

Some of my hobbies are riding dirt bikes and many different sports like baseball, basketball and football. I also like hunting and fishing with my friends and family.

I feed and walk my pig every day. She has been growing well, and we have to weigh her every week to make sure she is staying on track to make weight at fair. I've been working with her so I can do well in the show ring for both market and showmanship.

Thank you for taking the time to read my letter. I'd like to invite you to the Redwood Empire Fair Junior Livestock Auction and buyers breakfast on Saturday August 8th. Breakfast is at 8AM followed by the auction at 10AM

I hope to see you there!

Dear Buyer

Hello, my name is James Hoyle. I am a member of the Round Valley Indian Tribes. I am ten years old and will be in the fifth grade this fall. I enjoy fishing and hunting. This is my first year participating in Round Valley 4-H and my first time raising a lamb for the Redwood Empire Fair. My lamb's name is Lil Jim, and he is a Suffolk-Hampshire cross. I feed him once in the morning and again in the afternoon. I have learned how to shear him. I walk him every day. Raising Lil Jim has taught me responsibility and how to care for a lamb. Lil Jim is calm and chill. He is big and healthy and will most likely provide good meat. I would like to invite you to the Redwood Empire Fair on Saturday, August 8, 2026, to see Lil Jim and, hopefully, bid on him. The junior livestock auction begins at 10:00 am.

Thanks for reading.

My name is Rheagan OFerrall. I am 10 years old and a member of the Round Valley Indian Tribe. This is my first year in Willits 4H and the swine group. This year I'm taking a market hog to the fair and her name is Dot, she is a purebred Spot I purchased from a local breeder. I estimate Dot to weigh around 255lbs at fair.

Some of my hobbies are swimming and I'm learning to ride a dirt bike. This year I played softball and it will be my 4th year cheerleading. I also like going to my grandma's ranch in Covelo and helping with all the projects there.

I've helped my brother with his projects before, but this year has been a learning experience for me raising my own pig. I feed, walk, and brush her every day and give her baths occasionally. One of my favorite things is when I turn her out and she runs really fast out of her pen because she has lots of energy.

Thank you for taking the time to read my letter. I would like to invite you to the Redwood Empire Fair Junior Livestock Auction Buyers Breakfast and Auction on Saturday August 8th. The breakfast starts at 8AM followed by the auction at 10AM.

I hope to see you there!

Dear Potential buyer,

My name is Emmeliah Hanover. I am in the 6th grade and a member of the Round Valley 4-H club in Covelo. I have been in 4-H for 4 years. I spent 2 years as a primary member showing Nigerian Dwarf Goats and last year I took a Boer goat as my first market project. This is my first year taking a market hog. I am taking a Duroc pig named Dan. This has been a big learning experience for me since I have only worked with goats in

the past. I learned a lot more responsibility and dedication with my pig. I spent a lot of time working with him to get him use to walking with me. I also had to make sure to keep him cool throughout the day. It was a lot of work to get him ready for this year's fair. I really enjoyed raising my market pig and I will be sad when it is over. Next year I plan on taking another pig and would like to get another Duroc. I plan to invest my money from my market hog into next year's project as well as put some aside for other hobbies.

I would like to invite you to attend this year's Redwood Empire Junior Livestock Auction which will be held on Saturday, August 8th at 10 am at the Racine Pavilion.

Sincerely,

Emmeliah Hanover

Dear Potential Buyers,

My name is Caeleb Hanover. I will be starting my freshman year and I am a member of the Round Valley 4-H club. This is my 4th year taking market hogs for 4-H. This year I am taking a barrow Duroc. His name is Billy. I have learned a lot of responsibility, commitment, and dedication with this project. I really worked on walking and exercising to make sure I raised a great quality pig. This was my first year working with a Duroc and I really enjoyed

it. I enjoy working with Durocs a lot more than the breeds I've had in the past. It's been a pleasure working with Durocs and noticing differences between other pigs. For example they don't get as ashy as a Berkshire, they don't get as sunburned as yorkshires, and they are a lot easier to clean. I plan on taking a Duroc again for my market project next year. I'm investing money into my academic future and putting some aside for next year's project along with other personal endeavors.

I would like to invite you to attend this year's Redwood Empire Junior Livestock Auction which will be held on Saturday, August 8th at 10 am at the Racine Pavilion.

Thank you for reading my letter and I hope to see you there!

Sincerely,

CH

Dear Prospective Buyer

My name is Roy O'Ferrall, and I am a member of the Covelo FFA. This year I will be showing a Market Lamb at the Redwood Empire Fair in Ukiah. This is my 9th year participating in the fair, but it is my first year raising and showing a market lamb.

Over the past several months, I have spent a lot of time raising and caring for my lamb. This project has taught me responsibility, hard work, and patience, and it has been a great experience.

I recently graduated from high school, and this fall I will be attending UTI in Sacramento to continue my education and work toward a career in the automotive industry. The support I receive through FFA and the livestock auction will help me as I take this next step.

I would like to invite you to attend the Redwood Empire Fair Junior Livestock Auction on Saturday, August 8th at 10:00 a.m. Your support by bidding on my market lamb or adding on to my sale helps make projects like mine possible and supports students who are working toward their future goals.

Thank you for taking the time to read my letter and for considering supporting my project. I truly appreciate your support, and I hope to see you at the fair!

Sincerely,

Roy O'Ferrall

Dear Buyer,

Hello my name is Aliciana Davila, I am fifteen years old, and will be going into the tenth grade at Willits High School. I'm an active member of the Willits FFA chapter, but was a previous member of my local 4-H Group. When I am not actively working with my project or engaged in FFA events; some hobbies I enjoy doing include hanging out with my siblings, spending time with my other animals, and being outdoors. This is my first year showing a market steer at the Redwood Empire Fair; my steers name is Tow-Truck. When deciding a name for him, I thought back to the times when I first started to halter break him and how he would tow me around; hence the name Tow-Truck.

Tow Truck is a Charolais cross, I purchased him in early November from my father, Jose Davila. Since then Tow-Truck and I have been working hard preparing for the Redwood Empire Fair! Tow Truck enjoys scratches, getting bathes, and his daily walks. One of my favorite things about him is that he's very loving and friendly to new people. One thing being in the Willits FFA has taught me, that you have to be very responsible to have a well maintained animal. I believe this is very important when having to care for an animal.

In closing this letter, I would like to invite you to attend the **2026 Redwood Empire Fair Junior Livestock Auction**, which will be held on **Saturday, August 8th, 2026 at 10:30 AM**. In the **Racine Pavilion Building** at the Redwood Empire Fair Grounds in Ukiah, California. A breakfast will be held prior to the Action at **8:00 AM at the Willow Tree Stage**. Thank You, for your continued support at the Redwood Empire Fair Junior Livestock Auction. It's buyers like you that make our projects possible. I also want to thank you for your time and consideration. Tow Truck and I hope to see you at the auction!

Sincerely,

Aliciana Davila

Dear Buyer,

My name is Marcos Davila, I am 17 years old, and will be going into the 11th grade at Willits High School. I'm currently an active member of the Willits FFA Chapter. My hobbies include: fishing with my brothers, hunting, working, and raising my market steer. This is my second year taking a market ready steer; this year my steers name is Moolah. I've raised market animals while in the Round Valley 4-H Club for four years prior to being an FFA member. While being involved in 4-H and FFA I've learned many new things; for example self discipline, responsibility, and livestock husbandry practices.

On November 3rd I purchased my market steer from my father, Jose Davila. Who happens to run a local cow/calf operation. My steer is a Black Angus Cross. Moolah enjoys licking, tail rubs, eating, and baths. Moolah is a very energetic steer that likes to run while we exercise, he is being fed a great diet of grain and local hay. I enjoy the many opportunities while in FFA, learning about livestock, and properly raising market steers. Raising Moolah has been a fun experience, also very rewarding.

I would like to invite you to the **2026 Redwood Empire Fair Junior Livestock Auction!** The auction will take place on **Saturday August 8th 2026 at 10:30 AM** in the **Racine Pavilion Building** at the **Redwood Empire Fairgrounds** in **Ukiah, California**. Dear Buyer,

My name is Aliliana Davila and I am going into 5th grade at the Eel River Charter School. I am also a member of the Round Valley 4-H Club, my local 4-H group. I am writing to invite you to the Redwood Empire Fair Junior Livestock Auction this year where I will be showing my market lamb and auctioning him off.

This is my first year in 4-H and the biggest thing I have learned is confidence and independence! I've been busy raising and caring for my 4-H market lamb project. I have a Black Face Cross lamb, his name is "Steel". I spend many hours with Steel, walking, feeding, brushing, and washing him. My favorite part of taking on this project is walking my animal, and being able to watch my lamb improve! The money I receive from selling my market project will help support my project next year and help me save for what I want to do when I grow up. When I grow up I want to be a cosmetologist.

I would like to invite you to attend the **2026 Redwood Empire Fair Junior Livestock Auction**, which will be held on **Saturday, August 8th, 2026 at 10:30 AM**. Dear Potential Buyer,

My name is Payton McCoy, and I'm nineteen years old. I will be a sophomore at Sacramento State University, majoring in Child and Adolescent Development, Education, and Care. I want to work with children because I'm passionate about helping them have fun while also ensuring they feel supported and valued. While in FFA, I made sure to cherish the friendships I've made, the memories I've created, and everything I have learned. This will be my third and final year raising a market lamb with Covelo FFA.

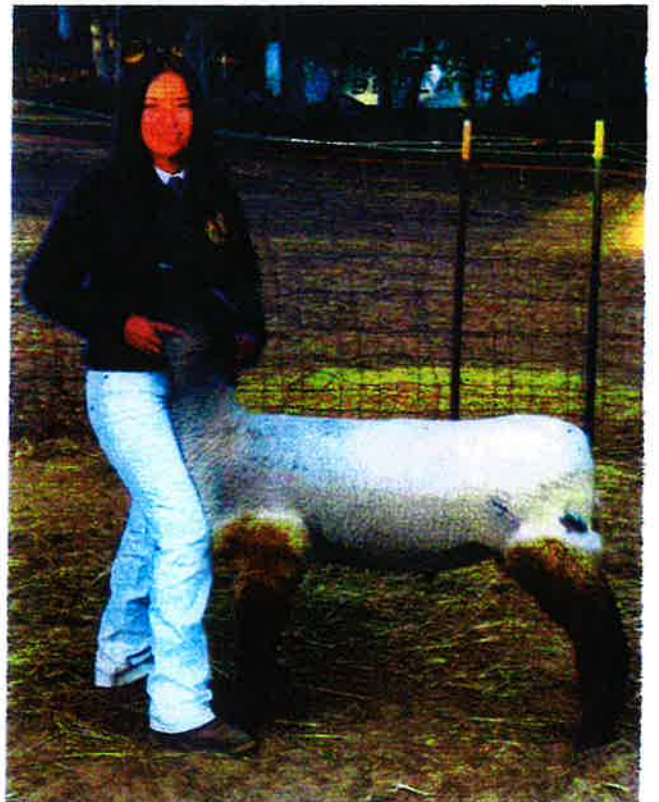

My lamb, Boomer, is a Suffolk cross wether. I have spent my mornings and evenings giving him water and food, cleaning his pen, exercising, and practicing my showmanship. Through this experience, I have learned that raising a market lamb requires commitment, patience, care, and dedication. Raising a lamb and participating in FFA has helped me develop important skills, such as time management, leadership, teamwork, a strong work ethic, responsibility, and communication.

It is my pleasure to invite you to the Junior Livestock Auction Breakfast and the Junior Livestock Auction on Saturday, August 8, 2026. The breakfast will be at 8:00 a.m. located at the Willow Tree Stage. Following the breakfast, the Junior Livestock Auction will begin at 10:30 a.m at the Racine Pavilion.

Thank you for your time, support, and generosity.

Sincerely,

My lamb, Maple, is a Suffolk cross ewe. Maple is a friendly and curious lamb. I walk, feed, water, and exercise her every morning and evening. I also practice my showmanship with her each evening. Through raising Maple, I have learned that it takes care, patience, and commitment to raise a lamb. While participating in FFA and raising my lamb, I have also developed important skills such as time management, a strong work ethic, responsibility, and communication. I hope to carry these skills with me throughout my life.

To Whom It May Concern,

My name is Camryn Mitchell, and I would like to invite you to attend and support me at the Redwood Empire Fair Junior Livestock Auction on Saturday, August 8th at 10:00 a.m.

This year marks my 7th year exhibiting livestock, and each project has taught me valuable lessons that will stay with me for the rest of my life. Through raising market animals, I have learned responsibility, patience, discipline, time management, and the importance of hard work. Caring for an animal is a daily commitment, and every early morning, late evening, and challenge along the way has helped me grow into the person I am today.

I am 18 years old and incredibly honored to have earned a full-ride scholarship to the University of California, Berkeley, where I will be attending this fall. The work ethic and determination I developed through FFA and livestock projects have played a major role in helping me achieve this milestone, and I am excited to continue my education while carrying the lessons agriculture has taught me.

This year's project is Bruiser, my Crossbred Barrow. From the day I brought Bruiser home, I committed myself to helping him reach his full potential. Every day has consisted of feeding him a balanced diet, making sure he always had fresh water, cleaning his pen, monitoring his health, and spending countless hours walking and exercising him to build muscle and improve his condition. Along the way, I've learned that success doesn't happen overnight; it comes from consistency, patience, and putting in the work every single day. Watching Bruiser grow has been one of the most rewarding experiences of this project, and I am proud of how far we have come together.

The Junior Livestock Auction is much more than a sale; it is the opportunity for exhibitors like me to showcase months of dedication and responsibility while helping fund our future educational and agricultural goals. Your investment supports not only my project but also the next generation of hardworking young people in our community.

I would be truly grateful if you would consider supporting me by purchasing Bruiser or placing an add-on bid at this year's auction. Your generosity and encouragement mean more than you know, and your support makes a lasting impact on the lives of local youth.

Thank you for taking the time to read my letter and for supporting the Redwood Empire Fair Junior Livestock Auction. I sincerely hope to see you on Saturday, August 8th at 10:00 a.m.

Sincerely,

Camryn Mitchell

Dear Potential Buyer,

I hope this letter finds you well. My name is Eliana Martinez, and I am 17 years old. I recently graduated from Round Valley High School and have been actively involved in raising and showing livestock for the past 12 years. This is my fourth year as a member of FFA, and I am incredibly grateful for the knowledge, leadership skills, and opportunities the organization has provided me.

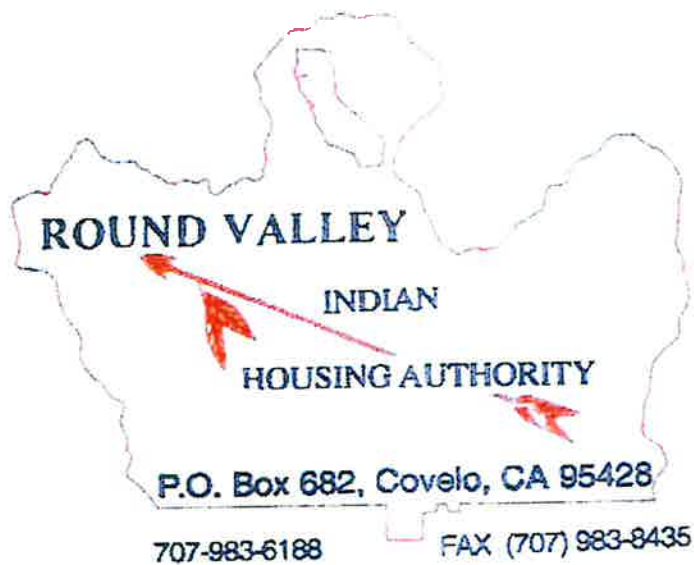

I am writing to introduce you to my market hog, Rocco, and to invite you to consider supporting my FFA project through the Junior Livestock Auction. Rocco has been raised with exceptional care and attention to detail. He has been provided with a balanced, high quality diet to promote optimal health and growth, along with plenty of exercise and a clean, safe environment that supports his overall well-being.

By purchasing my hog, you are doing much more than investing in a quality animal. You are investing in my education and the future of agricultural youth. Your support helps offset the costs of raising livestock and allows me to continue participating in FFA, where I can further develop valuable skills in agriculture, leadership, and responsibility.

Sincerely,

Eliana Martinez

ADMINISTRATION

GRANTS/PROJECTS:

The infrastructure development at Tribal Winds Phase 5 is currently ongoing. As previously stated, Infrastructure development for the Tribal Winds subdivision will facilitate the construction of 30 new homes for members of the RVIT community. Roads for the project are complete. The bidding for the ten 2 bedroom and eight 3-bedroom homes is still out, set to close at the end of the month.

We have secured the contractor for the Britton/Tuttle 40,000-gallon water storage tank project.

In the early stages of seeking grants for a potential "Elder's Village" on Henderson Road. Hoping to build more homes and develop more land for our elders. The BOC selected a layout for the area. Please see attached. (Please note, this project is not funded yet and still in the early stages of seeking grants. Layout is for reference only.)

Working with RVIT Realty Dept. to get the rest of our land into trust status. This has been an ongoing process.

The Beautification Youth Project has ended and was a great success.

Rehabs, emergency requests and maintenance of our units and qualified homeowners are ongoing as needed, per request.

BOC Business Meeting

July 22, 2026

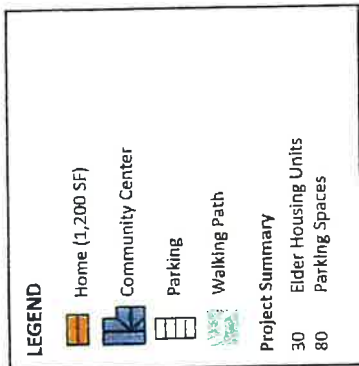

For June 2026

- On the 3rd I met with Neil Britton Sr, Sasha Azbill, Andreanna Warden, and Marquita Want to discuss the summer youth BEAUTIFICATION jobs. I advertised the jobs and received applications from June 3- June 12.
For the 2 supervisor positions, I received 6 applications. For the laborers' jobs , I received 22 applications. We interviewed all the applicants.
The work crew started on June 22. I did a whole crew orientation, where they signed all paperwork needed. I then turned them to Neil and Sasha for their duties.
2 of these youth were also enrolled in the RVUSD Internship Program. They will work here at the RVIHA. We will pay their salary, and the school will reimburse us at the end of the summer. All work full time except 2 that work half a day, because they have summer school. On Fridays the 2 does work full time. The kids are doing great and we haven't heard any complaints.
- **Employees:** 38 Full time employees. 3 Temp pool workers.
1 employee was terminated.
- On June 8, the GITW representative came for a site visit. Our employees all met with the representative and were able to make the desired changes to their policies. Globe Life is Life and cancer insurance. Assurity is accident insurance.
- **Payroll:** I continue to do payroll prep for Melody to run payroll which includes imputing the worker's logs, where they are working each day, and what account to charge for their time. Also, we have had some Wi-Fi issues. When this happens, missed punches need to be edited in the system, so payroll can run smoothly.
- **Employment Applications received:** Temp pool-1. Procurement-1.
Totals for 2026: Temp pool-6. Procurement-3.
Misc./ Named jobs but not flown: Program Facilitator – 2 Labor (construction, maintenance, etc.) – 2. Security-1.

The Tribal Court Advocate Program is currently working on the KT Grant application along with the Domestic Violence DV. Home Visits: As a service for our cliental "home visit" have been added to help tribal members children and parents reunite. A "home visit" is when a Tribal Court agent (ICWA, TCAP or Tribal Police) the Court Advocate fiscally goes to parent/guardian's home to access the living conditions of a potential home checking to see if the home is safe, clean, has adequate space for the youth. Checking for potential dangers. Making a report and acting as Judge Wisman's eyes and ears.

ROUND VALLEY INDIAN TRIBES

DOMESTIC VIOLENCE AND SEXUAL ASSAULT OFFICE

MONTH OF July 2026

In the month of July, our office received (7) crisis calls. Our office has assisted with emergency services to meet our clients' basic needs. Our office has collaborated with other programs to meet the needs of our clients, advocating for them in court, with Sheriff and Tribal Police and helping them create safety plans. We recognize there are many cases that go unreported, and for the ones who are brave enough to do so, we want to be supportive as much as possible. It is a scary situation to go through. We do not want anyone to go through this alone.

Our office had a table at the Yuki Trails Youth Sports Activity Day at Hidden Oaks. We gave out lanyards, our office brochures, teen dating violence information pamphlets, and business cards. We had a table at the Rites of Passage Youth Camp. We had a board game, playing cards, and helped with making bracelets. We also gave out our lanyards and information pamphlets. Community events are healing and bring people together in a good way. We always are grateful for the opportunity.

We were informed by our grant funders that awareness items will no longer be approved after October 1, 2026. We had to leave awareness/promotional items off our grant application which is currently being prepared. We will only be allowed to purchase informational pamphlets.
